

- When Jane was a little girl her father gave her a toy chimp, that she named Jubilee.
- Jane loved exploring the outdoors and always took Jubilee with her.
- She loved learning about animals and plants and dreamed about going to Africa to study chimpanzees when she was older.
- When she was 23 she moved to Kenya and lived on her friend's farm.
- Jane asked if she could have a job with a man called Lewis Leakey who was a famous scientist who studied chimpanzees.
- Lewis helped Jane go to university and become a famous scientist herself.
- Jane studied chimpanzees, and her work has allowed us to know a lot more about these special animals.
- Jane had to work hard to achieve her dream, and it shows that dreams can come true!
