

Name ..... Date .....

Use sloped calligraphy to fill in the blanks on the certificate in capitals. Then copy the whole certificate onto a different piece of paper and design the certificate border.

|                                      |                     |
|--------------------------------------|---------------------|
| <b><i>Certificate awarded to</i></b> |                     |
| _____                                |                     |
| <b><i>for achievement in</i></b>     |                     |
| _____                                |                     |
| <b><i>Signed:</i></b>                | <b><i>Date:</i></b> |

**Evaluation**

What did you find difficult about writing in this way?  
When else would you use this technique?
