

Cleveland Road Primary School Curriculum Map – Year 4, Autumn 2022

	Autumn 1	Autumn 2
TOPIC	<i>The Frozen Kingdom</i>	
KEY TEXTS	<i>The Lion, The Witch and The Wardrobe by C.S Lewis</i> <i>The Lion, the Witch and the Wardrobe by C.S. Lewis illustrated by Christian Birmingham</i> <i>The Snow Queen by Hans Christian Anderson</i>	
ENGLISH <i>Convention on the Rights of the Child (CRC) Articles 9,11,37,20,22</i>	This term, Year 4 will be drawn into the magical world of Narnia and follow the adventures of Peter, Susan, Edmond and Lucy in the story, <i>The Lion, The Witch and The Wardrobe by C.S Lewis</i>. They will have opportunities to write a wide range of texts, including, persuasive speeches, internal monologues, diaries and an exciting narrative at the end of the term. Throughout the learning journey, the children will explore and discuss many reading themes and key questions around the larger ideas within the text, such as forgiveness, trust, betrayal and temptation. It will also help the children to develop their ongoing understanding of the UNICEF Rights Respecting Schools initiative. The children will celebrate the defeat of the Snow Queen and the forever winter spell with the coronation speeches of the new kings and Queens of Narnia.	
MATHS <i>CRC Articles 28, 29, 30</i>	This term, the children will develop their mathematical skills with a focus on addition, subtraction multiplication and division, measures, geometry and fractions. There will also be the continuous focus on consolidating times tables and arithmetic skills.	
SCIENCE <i>CRC Articles 13 24, 26, 27, 28, 32</i>	Living Things and Habitats In this unit of work, children will be learning about how living things can be grouped together and how to use classification keys to help group, identify and name a variety of living things. They will develop their understanding of how environments can change and that this sometimes means that living things are put in danger.	Humans including Animals The children will learn all about the functions of the basic parts of the digestive system in humans such as, the mouth, tongue, teeth, oesophagus, stomach, and small and large intestine, and explore questions that help them to understand their special functions. They will identify the different types of teeth in humans and their simple functions. Pupils will work scientifically by: comparing the teeth of carnivores and herbivores and suggesting reasons for differences; finding out what damages teeth and how to look after them. They will also have the opportunities to construct and interpret a variety of food chains, identifying producers, predators and prey.

	Autumn 1	Autumn 2
TOPIC	<i>The Frozen Kingdom</i>	
COMPUTING <i>CRC Articles</i> 17,20,24, 26, 27, 28, 32	Online Safety The children will learn that copying the work of others and presenting it as one's own is called plagiarism; they will also learn about when and how it is acceptable to use the work of others. Most importantly, children will also learn how to think critically about the information they share online. They will also be made aware that they may get online messages from other people that can make them feel angry, hurt, sad, or fearful. This learning will develop their understanding of cyber-bullying and they will be taught a range of strategies to help them if they or someone they know is troubled by cyberbullying. Children will know what to do when they see something worrying online. They will understand the difference between private and personal information and understand that what they say or post on the Internet might be copied, shared, and stored by others. Computer Science 1 Children will be using Espresso Coding and learn how to create loops and repetition.	Computer Science 2 Children will have the opportunity to create a game in Scratch. They will be able to move and steer sprites, change costumes, and create a maze. They will also be able to use logical thinking to identify and solve potential bugs during coding.
HISTORY <i>CRC Articles</i> 12,13, 17, 28, 29	The Roman Empire and its impact on Britain This term, the children will continue to build on their historical enquiry and historical understanding by learning all about the Roman Empire and its impact on Britain. They will learn about the expansion of the Roman Empire and why they were so successful. They will particularly look at who Hadrian was and how he supported the Roman's invasion of Britain. The children will gain an understanding of how the Romans influenced London and their lives today. The children will finally be able to explain reasons why the Roman Empire eventually crumbled.

	Autumn 1	Autumn 2
TOPIC	The Frozen Kingdom	
GEOGRAPHY <i>CRC Articles</i> <i>Insert Numbers</i>		London (Local area) Through this unit, the children will identify and describe the main human and physical features of their local area. They will develop their understanding of mapping and use a range of resources such as, OS maps, photographs and digital resources to investigate Ilford. They will learn how to draw maps with greater accuracy and detail and use digital resources such as Digimaps to locate, measure, annotate and add symbols to maps.
ART <i>CRC Articles</i> <i>Insert Numbers</i>	Drawing with correct proportions This term, the children will be developing their drawing skills by using a range of mark making techniques to draw real life objects. They will learn about proportion and scale and use their sketchbook to collect ideas and develop plans. They will learn about artists and be able to adapt their techniques to their own drawings. Throughout the unit, they will continually evaluate their work and share ways to improve their pieces.	
DT <i>CRC Articles</i> <i>13, 28, 29</i>		Mechanisms: Levers and linkages This term children will be creating amazing pop-up books in DT, which have been inspired by their own narrative writing in English. They will create their pop-up books by learning how to make several different levers and linkages and then carefully consider how these mechanisms will be used to in an interesting way within their stories. They will also develop their technical drawing skills, make prototypes, before designing, making and evaluating their work, and suggest ways of improving their models in the future.

	Autumn 1	Autumn 2
TOPIC	<i>The Frozen Kingdom</i>	
MUSIC <i>CRC Articles</i> 13, 29	Djembe Drumming This term, Year 4 will continue to develop their drumming skills, alongside their class teacher and a specialist-drumming teacher. They will learn how to play as part of an ensemble as they develop their timing, understanding of call and response and rhythm as well as prepare for a class performance, with solo elements. Charanga When not taking part in djembe drumming lessons, each class will complete an exciting charanga unit to develop their understanding of musical skills such as rhythm, pitch, dynamics and performing as an ensemble.	
	Outdoor PE- Multiskills During multiskills this term, the children will develop their coordination, throwing and catching skills, learn the basics of attacking and defending as well as develop their understanding of what makes a good team. Indoor PE – Gymnastics In Gymnastics, the children will create a long sequence of movement and learn how to create balances and counter balances, whilst developing their control and precision.	Outdoor PE-Hockey After half term, the children will develop this skills in hockey by practising and applying co-ordination, dribbling, ball control and shooting. Indoor PE- Dance The children will be inspired by the text <i>The Lion, the Witch and the Wardrobe</i> to create a winter woodland themed dance. They will combine elements such as shape, space and time in their performances as well as learn how to perform in cannon.
RE <i>CRC Articles</i> 13,14 ,28, 29,30	Where, how and why do people worship? This half term, children will learn about actions, symbols or ritual in worship for a believer. They will also use religious vocabulary to identify and suggest meanings for some symbolic objects, actions and sounds found in a church/ Mandir/synagogue) and say how these help people worship. The children will also have the opportunity to explain the key functions of the Church, Synagogue and Mandir, comparing them to worship in the home, where appropriate.	
	Judaism - What does it mean to be Jewish? In this unit, the children will have the opportunity to ask questions about Judaism and find out the answers for themselves. They will begin by thinking about Jewish identity before looking at Jewish beliefs about God and the Torah. They will learn about why the Torah is an important holy book to Jewish people and develop their understanding of how it is looked after and cared for. They will learn about important people and stories from within the Torah and how Jewish people use it to guide their daily lives.
