

Scholars' Launch Event

On Thursday 19th January 2023, 14 children from Year 5 travelled to the University of Sussex in Brighton to celebrate the launch of The Scholars Programme. The Scholars Programme helps pupils develop the knowledge, skills and confidence to progress to the most competitive universities in the country. This year, our Year 5 scholars will be looking in depth into Philosophy, with the support of a PhD tutor. During the visit to the University of Sussex, the children were able to talk to students currently studying different courses at university and ask lots of questions. They also had a guided tour around the exciting university campus.
