End of Term Message

As the end of the autumn term comes to a close, we can reflect on the wonderful and fun learning experiences that have taken place in school and been celebrated with you all through our fortnightly newsletters. There has been lots to celebrate, including the wonderful Celebrating Cleveland Day, where our families all came together and our musical achievements over the term. Please remember to keep an eye out for the videos of the Music Showcases, the Early Years Performance, Year 2 Nativity and the class songs. They can be found under children, then multimedia.

Within this final newsletter of the term, we recognise those children who have received the "Child of the Term" award. These are awarded to one child from each class, who has consistently demonstrated the 5Cs during the term gone by. These children were recognised during a special assembly today. Also recognised as part of this assembly were those children who had 100% attendance during the autumn term. This is a great achievement and a huge well done to these children.

On behalf of all the staff at Cleveland Road Primary School, we wish you and your family a wonderful holiday. Happy Christmas to all who are celebrating and very best wishes for a peaceful, Happy New Year. We look forward to welcoming the children back to school on Monday 5th January 2026.

Attendance Awards

Listed within our newsletter this week are all children who maintained 100% attendance during the autumn term. This is a fantastic achievement and one to be celebrated. There is an opportunity for all children to win this award in the spring term, next year.

Getting your child to school really matters. Did you know?

If your child's attendance during the school year was...	Your child would have lost approximately...	Or they would have missed approximately...
95%	9 days from school	50 lessons
90%	19 days from school	100 lessons
85%	29 days from school	150 lessons
80%	38 days from school	200 lessons
75%	48 days from school	250 lessons

For next term, please remember to encourage punctuality to maintain school attendance.

Child of the Term Awards

At Cleveland we have our 5Cs, which we believe are important values for our children to live by today and in their adult lives. These are the capacity to show:

- Care
- Consideration
- Commitment
- Cooperation
- Courtesy

As you know, we celebrate those children who demonstrate our 5Cs each week in school through our weekly teacher and peer commendations.

During the last week of term, we celebrate one child from each class who has consistently demonstrated the 5Cs over the course of the term and has applied these to all aspects of school life.

In addition to the child of the term certificate, our winners also receive a book.

Reception School applications

Please remember to apply for your child's Reception school place by **15th January 2026**. The applications can only be made by eAdmissions on the London Borough of Redbridge website. <https://www.redbridge.gov.uk/schools/school-admissions/apply-to-start-primary-school/>

Oakfield Care Home Visit

On Monday afternoon, the Cleveland choir, together with the leaders of our Eco Warriors visited our local care home. This was a quick journey that only took 5 minutes; but which had required 5 weeks of preparation and practice. The school choir had been rehearsing popular Christmas songs with Mr Albert, our lead music teacher, which they performed for the residents and staff of the Oakfield Care Home who thoroughly enjoyed these popular festive favourites. Cassandra Christie, the manager of the care home noted that this was the very best carolling from our school! Some of our children are also learning a musical instrument and they were confident enough to play some festive tunes with their violins and their clarinets. Mrs Karia sang a sweet song based on a traditional Gujarati poem which received much applause from admirers in the audience.

The twenty-two children then enjoyed the sweet treats that the care home staff had arranged for them. All sorts of cupcakes, biscuits, crisps, festive delights, and an entire tub of sweets! Christmas had certainly arrived early. Our children then had the opportunity to go around and talk to the care home residents who had some interesting stories of living history - both in the UK and abroad, and their many decades of experience of living in Ilford.

Finally, the children said their goodbyes and exchanged festive greetings with the residents and staff of the care home. The children received their well-earned gift bags and returned back to school with promises to have their younger siblings visit in the new year. Year 2 have already booked their visits for February based on their new key text!

It was a wonderful experience for our young children to give back to our local community. Of course, the highlight for most of our children was the fruit drinks and festive snacks and sweets as well as the gift bags that they received on their visit! If you have any ideas about how we could make other contributions to our local community, please write these in your child's home-school communication book or speak to your child's teacher. We would look forward to hearing your suggestions in the new year.

Duaa 6K said, "I enjoyed the chance to talk with the care home residents about their lives. Some have their families far away and don't get to see them over the holidays. It was nice for us to come over for a visit during the Christmas period."

Shanvik 3RS added, "I was a bit nervous to sing in front of all those people we don't know. I loved all the lovely sweets they gave us and the strawberry juice was the best."

Mr Albert noted, "This was my favourite part of the Christmas season. When we give back to our community and spread a bit of Cleveland cheer around our neighbourhood! Our children were amazing ambassadors for our school. Well done Cleveland."
