Weekly message

It was wonderful to see a sea of green across our school today. Thank you to everyone in our Cleveland community who wore green to help raise awareness of *Macmillan* and who donated so generously. Macmillan have been supporting families with cancer for over 100 years. Our donations will help fund their specialist nurses who work with cancer patients and their families. Thank you, Cleveland, for your tremendous support.

Clubs begin next week. If your child has been accepted into a club, you would have received an email today. Anyone not in a club, will be prioritized next term. Our aim is for every child to have the opportunity to attend at least one club every year.

Have a lovely weekend.

Secondary School Admissions

If your child is in Year 6, you now need to apply for a place at your preferred secondary school. All applications need to be completed online. The deadline for completion is **31st October 2025**.

Further details about this process and how to complete the application can be found on the Redbridge website, here:

Election Day at Cleveland

Last week, it was PLT Election Day at Cleveland. There was much excitement around the building as the candidates made speeches to their classes to try to persuade their class-mates to vote for them!

Thank you to all our candidates for having the courage to apply for these PLT positions, and for our families in supporting them with their speeches.

Congratulations to all of the successful candidates!

School Book Fair

The Travelling Bookfair is coming to Cleveland Road for the first time this academic year! You and your family are welcome to come and browse the wonderful selection of books from **Thursday 9th October – Wednesday 15th October**. The Bookfair will run after school from 3.15 to 3.45p.m. and will be in the dining hall. **As last year, we are pleased to announce that we can accept both cash AND card payments.** This is such an incredible opportunity to get some high-quality books into the home and spark imagination amongst the whole family. We look forward to seeing you there!

School Nurse drop-in sessions

Throughout the autumn term, our school nurse will provide drop-in sessions in school.

These sessions are designed to provide an opportunity for parents to meet with the nurse, ask questions, and discuss any health-related concerns you may have about your child.

The school nurse drop-in sessions will take place on the following dates between the following times:

All sessions will take place between **10.00 -11.00 am**

Friday 10th October 2025- Year 1 and Year 2 Families

Friday 14th November 2025- Year 3 and Year 4 Families

Friday 12th December 2025- Year 5 and Year 6 Families

This is an excellent opportunity for parents to get to know the school nurse, address any health-related inquiries, and ensure that school are well-informed about their child's specific needs.

Celebrating Cleveland Day!

We are so excited that our school will be 'Celebrating Cleveland', on Thursday 9th October 2025.

This special event is all about coming together as a community to recognise and celebrate the many cultures that make our school so unique.

We warmly invite parents to join us by coming along in cultural attire. If you would like to share or showcase something from your culture—whether it's food, music, dance, art, or a special tradition—please get in touch with your child's class teacher.

We would love to see as many families involved as possible and can't wait to celebrate the wonderful diversity of our school community!

BBC 500 Words Competition

We have exciting news to share – the BBC 500 Words competition is back, and it's better than ever! This is a wonderful opportunity for all our budding writers to let their imaginations soar, share their stories with the world, and maybe even win some fantastic prizes!

500 Words is the UK's most loved children's writing competition, originally launched by Chris Evans on BBC Radio 2. It encourages children just like you – aged 5 to 11 – to write a story about absolutely anything you like, as long as it's no more than 500 words long. Over a million stories have already been submitted since the competition began, and now it's your turn to take part!

Why Should You Enter?

- **Unleash Your Imagination** – Whether it's a story about flying unicorns, time-travelling cats, or a secret world under your bed, you can write anything you dream up!
- **Be Heard** – Your story could be read by famous celebrity narrators and broadcast to a national audience.
- **Amazing Prizes** – Finalists will be invited to a special event, and the top stories will receive some incredible rewards (plus a shiny gold trophy)!

The Rules – What You Need to Know

1. **Your story must be original** – it should come from your own imagination!
2. **Maximum word count: 500 words** (it can be shorter, but no longer).
3. **No pictures or illustrations** – just words.
4. **One entry per child.**

Key Dates

- **Competition opens: Monday 23rd September 2025**
- **Competition closes: Friday 7th November 2025 at 9:00 PM**

You can submit your story in two ways:

1. **Hand it in to Miss Gates(Y5)**, who will submit your story on your behalf.
If you choose this option, your story must be handed in **by Monday 3rd November 2025**.
2. **Submit it yourself online** through the official **BBC 500 Words website**.

We can't wait to see the amazing stories you come up with. Who knows – the next great author could be right here in our school!

So, sharpen those pencils (or fire up your keyboard) and get writing. Let's show the world the magic our young writers can create – 500 words at a time!

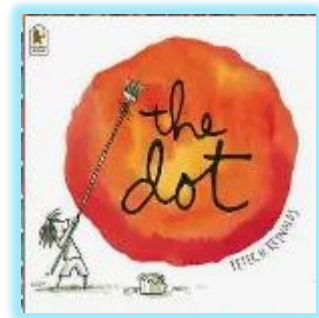

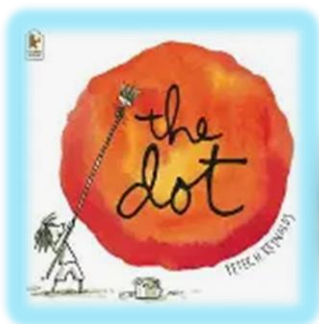

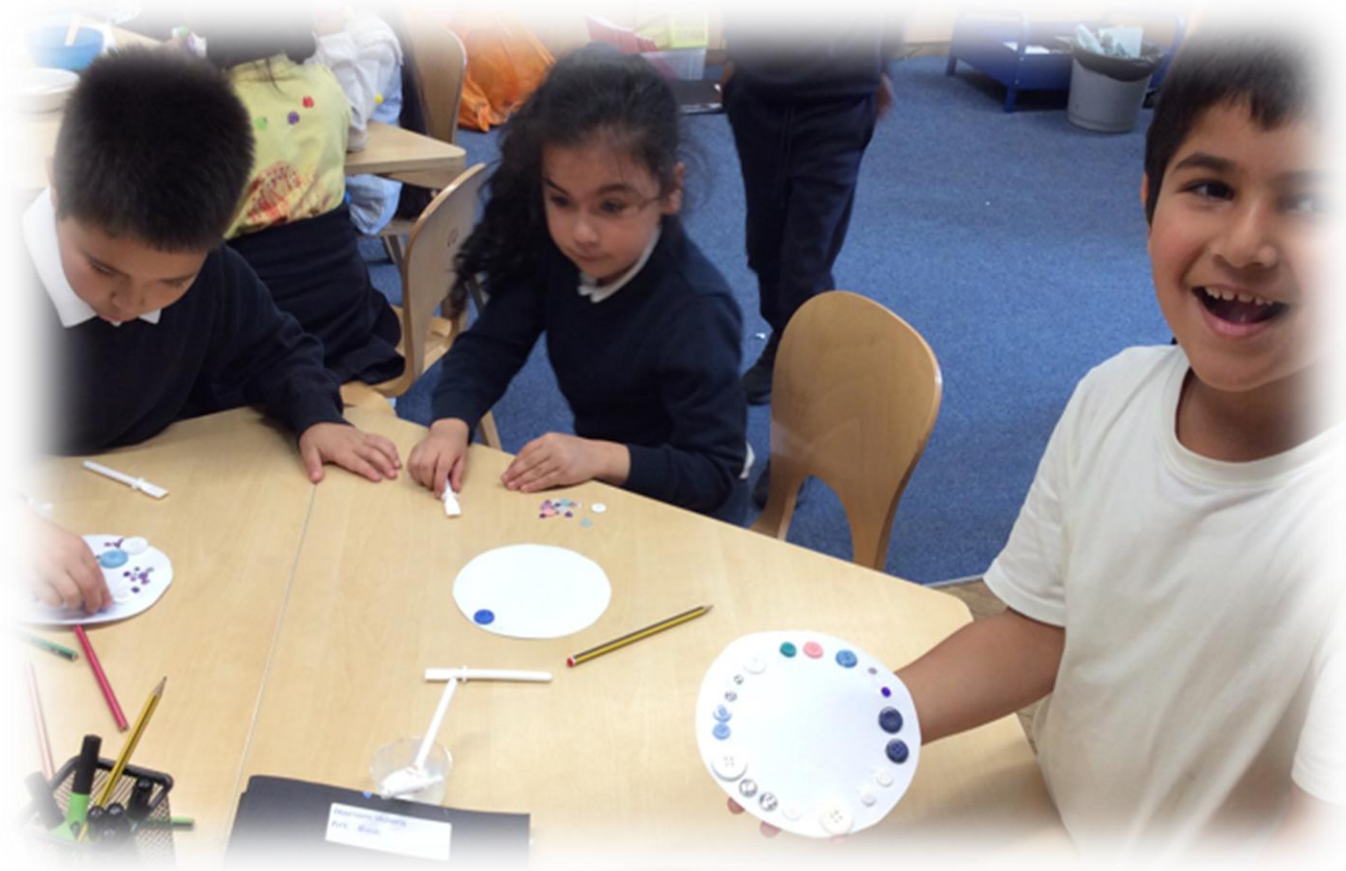

Commendations: *Commendations are awarded to pupils who demonstrate the 5Cs consistently.*

Year 2 – Dotty Day

Last week, Year 2 enjoyed a wonderful, creative and fun day celebrating, *International Dotty Day*, which was a global event highlighting creativity, courage and collaboration on **Monday 15th September**. During this day, the children came to school dressed in dotty clothes and some children were very artistic and designed their own t-shirts, which you can see in the photos.

In the story we are reading, *The Dot*, the main character Vashti is told to make a mark and see where it takes her. The children used this idea to create their own dotty art work - they learned about pointillism and decorated some very tasty biscuits to take home and enjoy.

What the children said:

"I enjoyed decorating the biscuits, because it was fun!" **Mustafa, 2BG**

"I liked painted because it was fun and I got to be creative." **Isaac, 2BG**

"It was fun decorating the biscuits, and I also enjoyed the painting." **Muhammad, 2BG**

"I enjoyed the cookies because I liked decorating them with orange, white, red and green icing." **Aisha, 2E**

"I enjoyed painting using dots to create different colours." **Jannet, 2E**

Commendations: *Commendations are awarded to pupils who demonstrate the 5Cs consistently.*

Year 6 – Dance

In Dance, Year 6 pupils have been creating their very own 'mechanical dance', based on their key text, *The Invention of Hugo Cabret*. Inspired by the story's clocks, gears and automaton, the children have combined their creativity, teamwork and imagination skills to choreograph movements that echo the ticking, turning and whirring of machines. It's been wonderful to see how children have captured both the magic and precision of Hugo's world, showing how literature can inspire other forms of expression. We look forward to sharing their final dance performances with you soon!

What the children said:

“Dance is really fun because we are learning to move like stiff robots.” **Lukas, 6K**

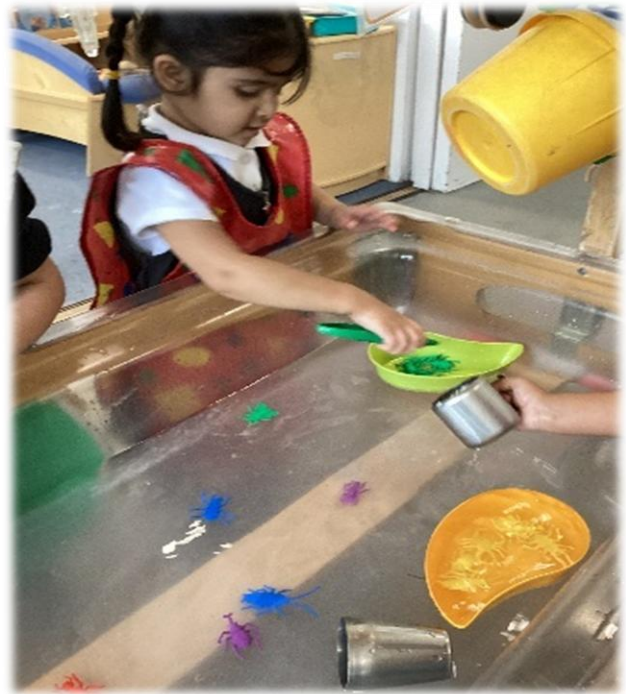

“I love dance because we are moving our bodies to the rhythm of clocks.” **Kyara, 6K**

Commendations: *Commendations are awarded to pupils who demonstrate the 5Cs consistently.*

Nursery – Settling In

Our Nursery students have settled well as they learn and explore through play!

"I play with the bike with my friend." **Haroon**

"I play with my friends. I play in the sand with them and I feel ok." **Nafisah-Zahra**

"I happy in school because I like to play play-doh with my friends." **Yuet Ying**

"I do colouring and playing and cooking like mummy." **Ameerah**

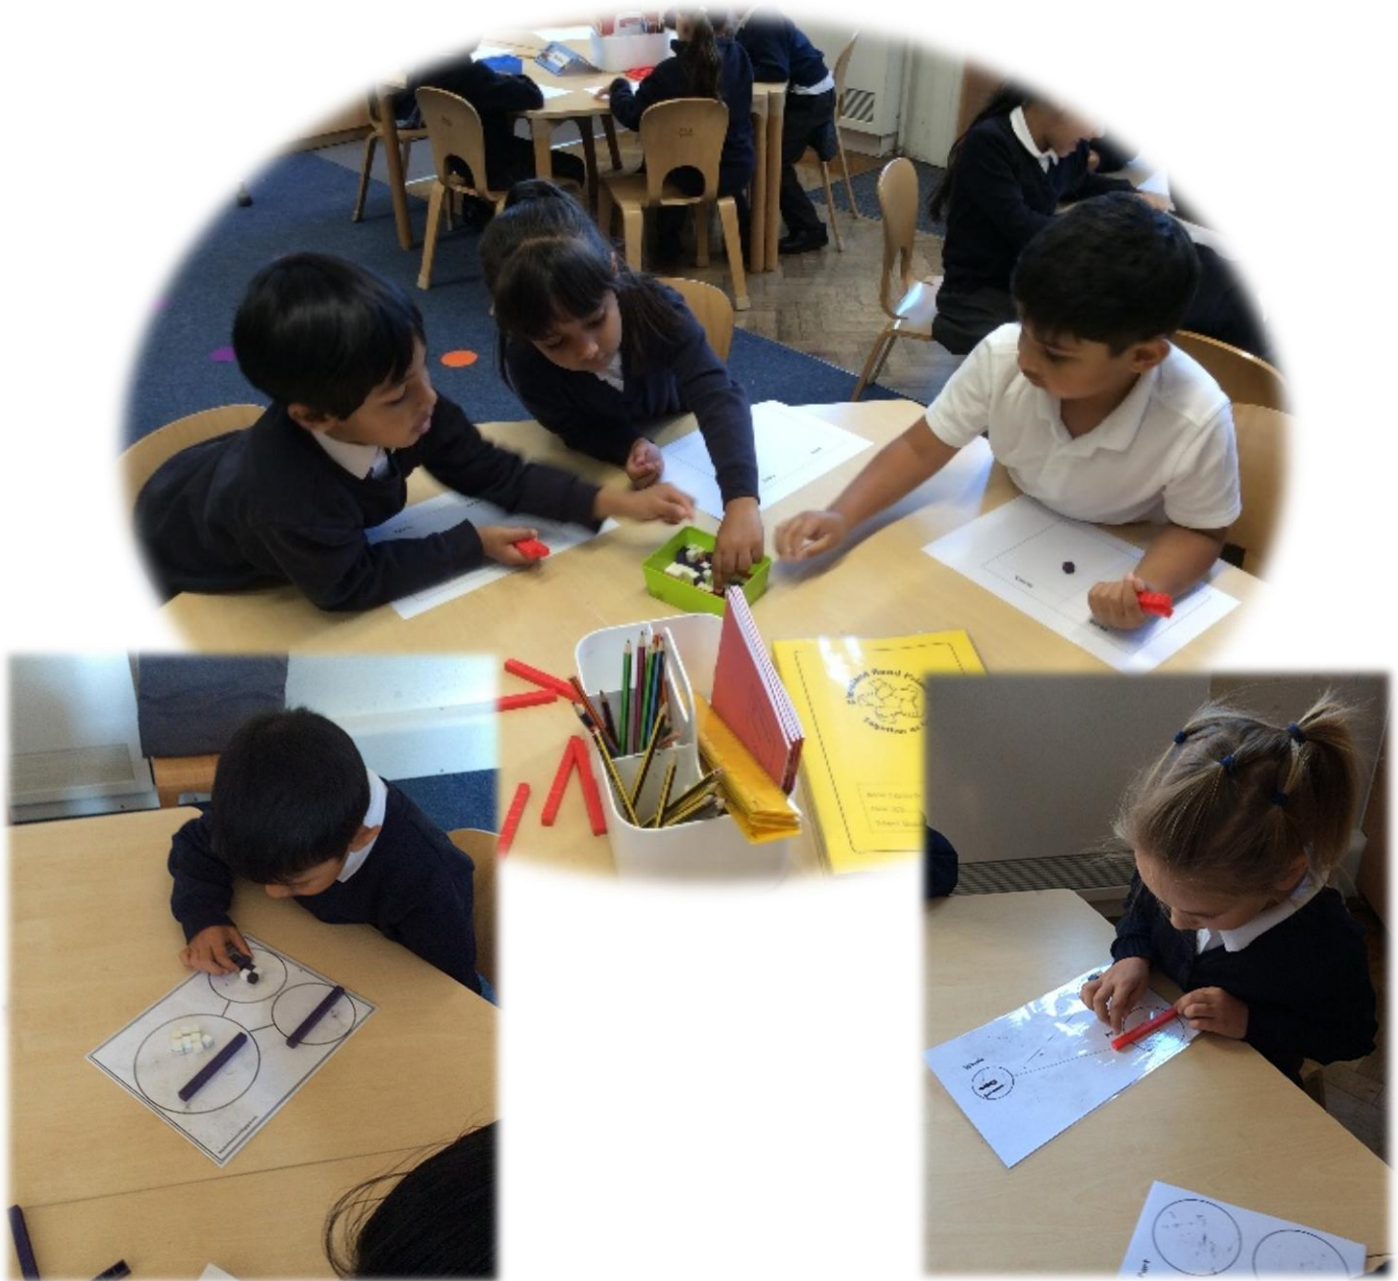

"I see my friends and play." **Adhith**

Year 1 – Maths

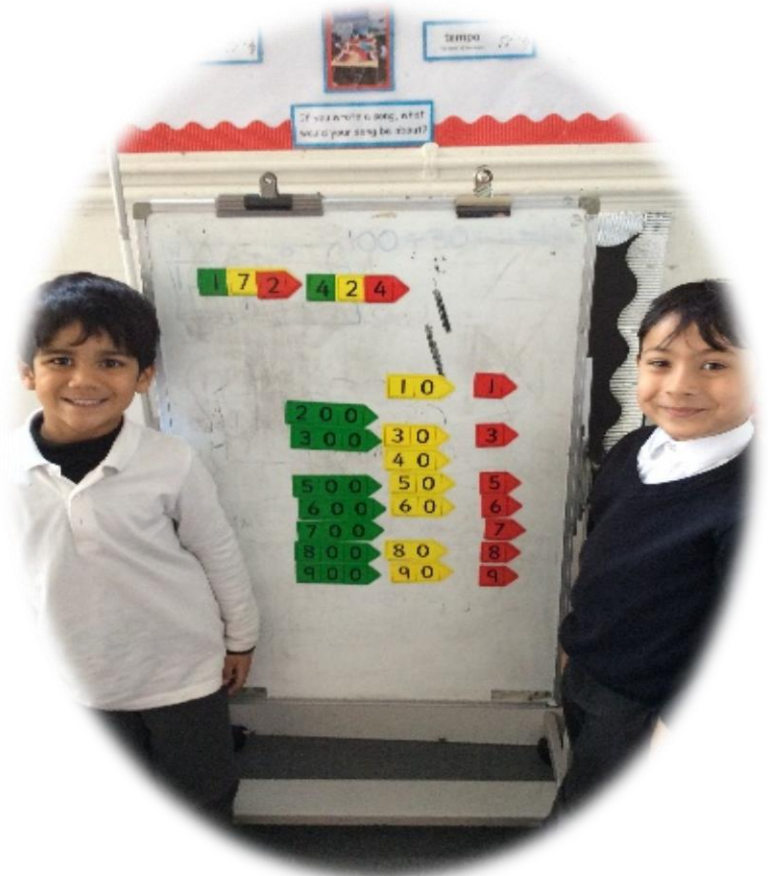

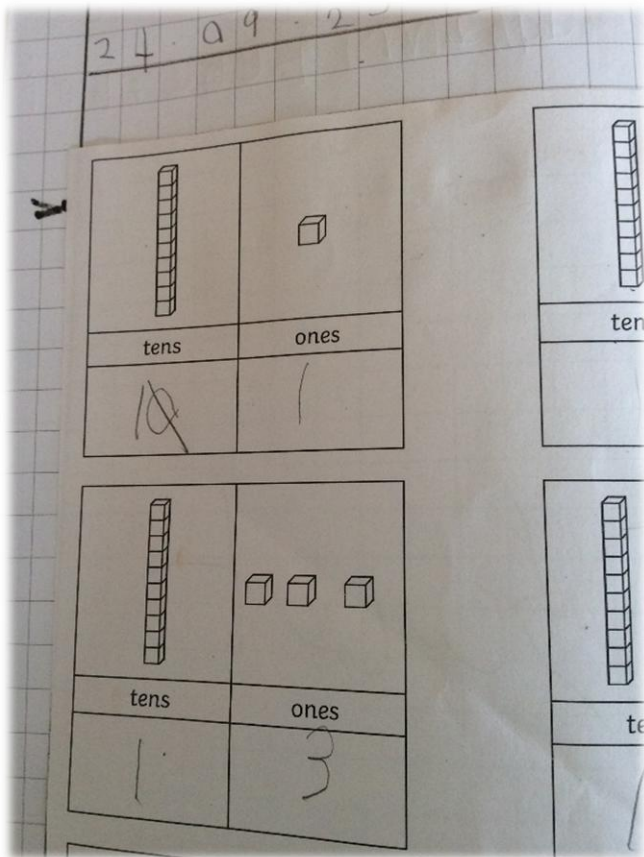

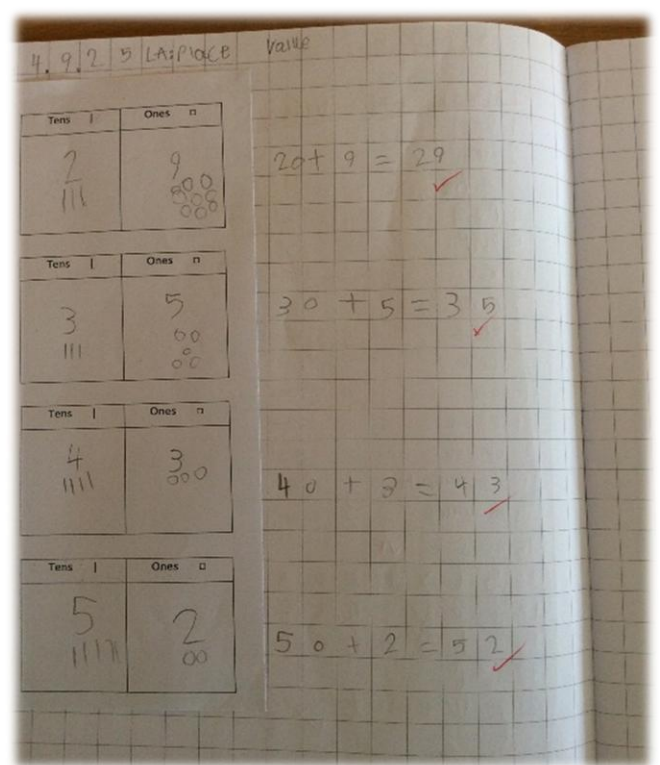

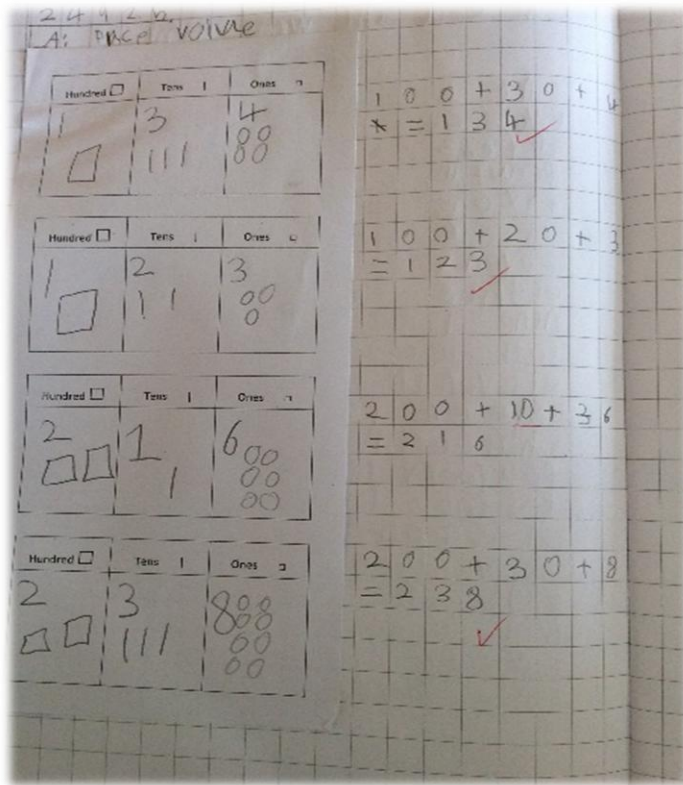

Year 1 have been working incredibly hard on developing their understanding of place value and number. Using a variety of resources—including Diennes blocks, part-part-whole models, tens and ones frames, place value cards, and diagrams—they've explored and represented numbers in multiple ways.

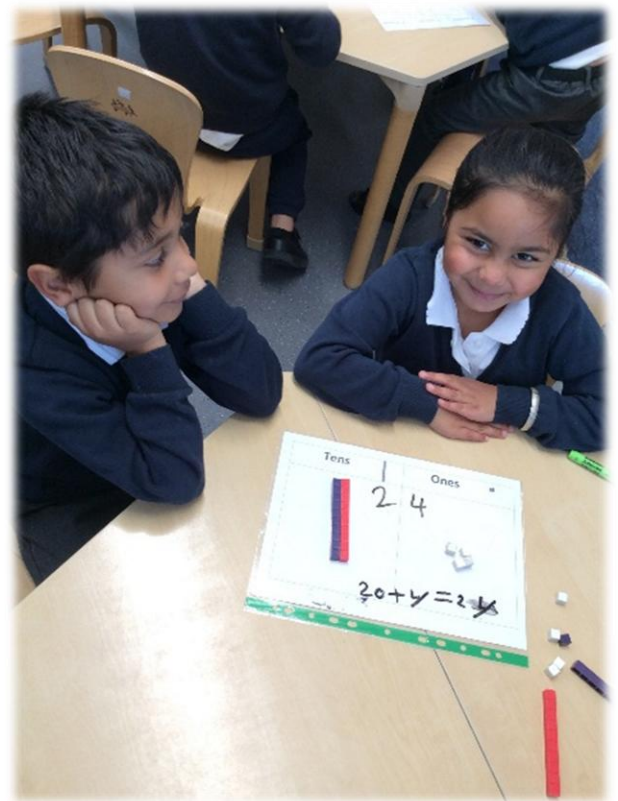

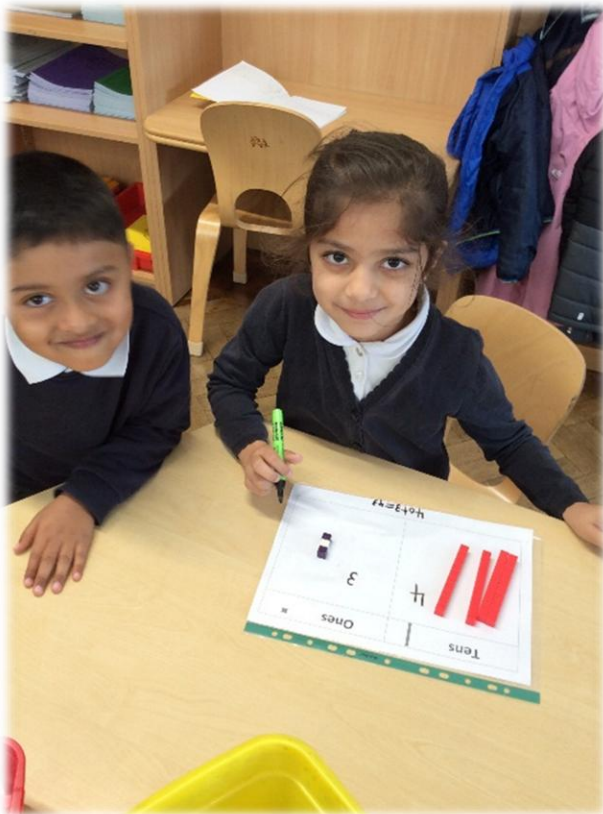

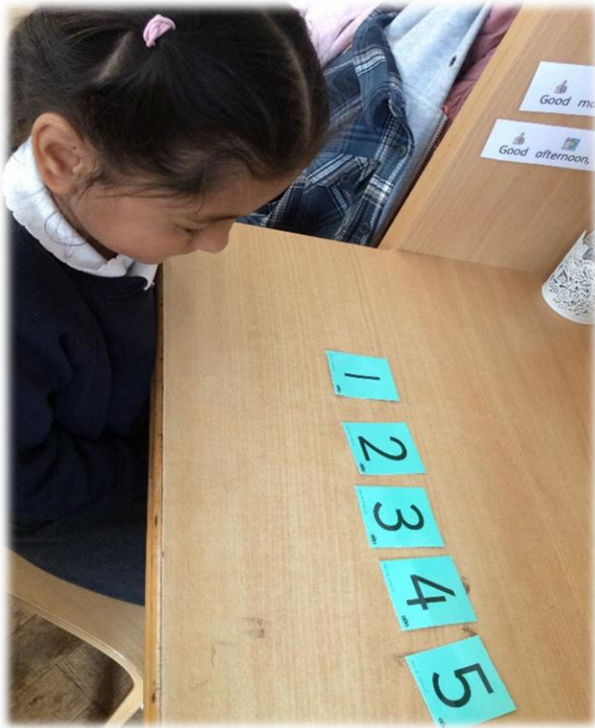

Their determination and perseverance have truly shone through, especially when tackling challenging maths problems. What's more, they've shown fantastic teamwork by collaborating with their peers to support one another and deepen their learning.

We're so proud of you, Year 1—keep up the amazing work!

What the children said:

"I love tricky maths questions!" **Sukhraj, 1B**

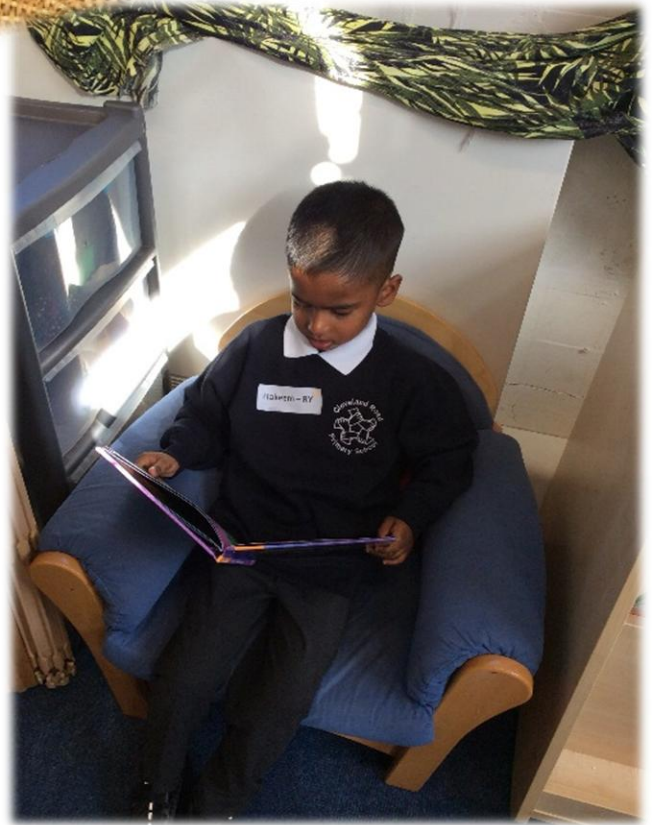

"Maths is my favourite subject!" **Adam D, 1B**

Reception – Settling In

The children in Reception have settled in positively. They have loved exploring the different areas in the classroom and outdoor area, demonstrating increasing confidence and independence in their new environment. They are beginning to build relationships with the staff and their peers, they are also becoming familiar with our routines and have enjoyed eating a delicious healthy lunch.

"I love reading Paw Patrol books." **Hakeem, RY**

"Pizza is yummy!" **Taafeef, RY**

"I like the garden, watch me jump." **Khadija, RY**

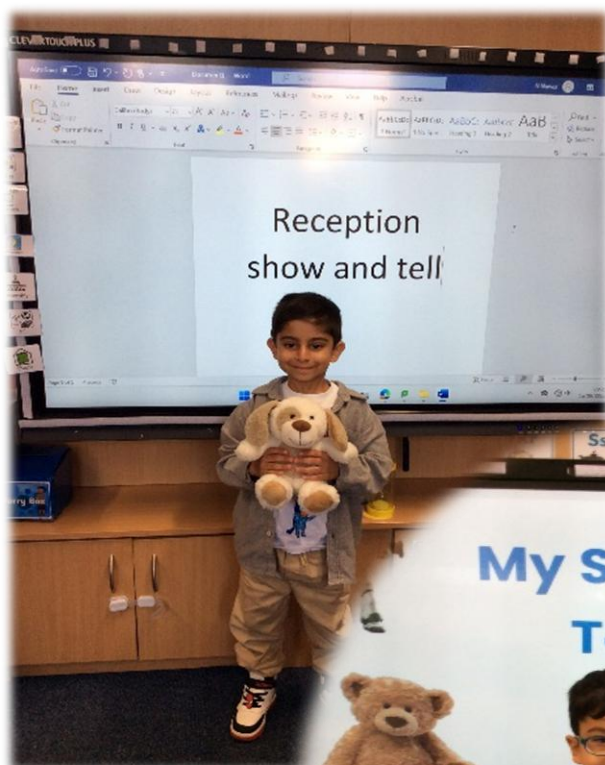

Reception – Stunning Start

As part of our 'All About Me' topic, Reception had a wonderful time when they came dressed in outfits that expressed who they are. They showed off their favourite characters, hobbies, and cultures – it was fantastic to see so many creative and colourful costumes. The children also brought in their favourite teddies and toys from home and proudly shared them with the class during show and tell. They even spoke about why their toy is so special and who gave it to them.

Commendations: Commendations are awarded to pupils who demonstrate the 5Cs consistently.

What the children said:

"I sleep with it. I like my teddy because it tells me stories. I got it from the market." **Charuvvi, RA**

"I sometimes sleep with her, and sometimes play a quiet game, and I sometimes play a flying game, and I sometimes listen to my Zog book. I get it from the Warwick Castle." **Danial, RA**

"I like my toy because I sleep with her. She's my best friend. Daddo gave me teddy. It was my birthday." **Laiba, RA**

"This is my favourite toy. This is bunny. It teaches me all about Easter. She teaches me how to garden carrots with my grandpa. She teaches me about Easter inside. I empty it because I don't want anything to get lost." **Arya, RA**

"I like my teddy because it protects me from bad dreams in the night. Sometimes me and my cousin, Aiden, play with him. We play hide and seek with him." **Zakariya, RA**

"I like my doll because my dad buy it. I forgot her shoes. The shoes got out. I feel safe. I like playing with my doll. I play toys. Some soft toys." **Fathima, RA**

Commendations: *Commendations are awarded to pupils who demonstrate the 5Cs consistently.*

Year 3 – Visit to Redbridge Central Library

Year 3 had their second trip already - an unforgettable adventure at Redbridge Central Library! They explored shelves filled with endless stories, picking out plenty of exciting books to read and even took some home! The librarians had emailed our families a special code so that they could pre-register their children and collect their brand new Redbridge library card during our visit. And even borrow 20 books if they wanted. Then our children sat in the special reading corner under the tree of knowledge and the librarian read a book related to our new text *The Iron Man*, which Year 3 will be starting on Monday.

The second thrill came when they visited the newly renovated Redbridge Museum upstairs. It contained all our local history – from the early Stone Age and even the remains of the famous Ilford Mammoth up until our recent history. And everything in between! Standing before the ancient artifacts, our children enjoyed the hands-on activities for the interactive exhibitions.

It was an afternoon full of wonder, learning, and imagination – a perfect mix of history and adventure! Like the best learning at Cleveland. So, make sure that you visit our local library and museum. Extend your learning beyond our classroom environment.

Commendations: *Commendations are awarded to pupils who demonstrate the 5Cs consistently.*

Commendations: Commendations are awarded to pupils who demonstrate the 5Cs consistently.

What the children said:

"I got my first library card and I borrowed seven books! My mum came with our class and we enjoyed our visit." **Elif, 3RS**

"It was AMAZING! I found a Sonic book. I love everything about Sonic. I'm going back to the Redbridge library to get more." **Ibrahim, 3RS**

"I liked the experience of the librarians reading us a story about robots and I liked the character Mr Whip who was a PE teacher." **Ayah, 3R**

"I liked the robot story and choosing books to read. It was really fun in the museum because I was building broken puzzles." **Yusuf, 3R**

"I loved the train map in the museum!" **Max, 3R**

Year 5 – Stunning Start

Year 5 had an exciting *Stunning Start* as they began their new topic, inspired by our class book *Spilled Water*, which is set in China.

The children were immersed in Chinese culture through a range of creative and hands-on activities. They carefully designed and painted beautiful willow patterns, showing real attention to detail. Everyone had the chance to try traditional ribbon dancing, moving with grace and energy. Working together, the children built colourful collaborative dragons, and even tried their hand at fortune telling!

It was a fantastic day full of creativity, teamwork, and fun. What a brilliant way to begin our journey into China!

Commendations: Commendations are awarded to pupils who demonstrate the 5Cs consistently.

What the children said:

"Making the collaborative dragon was fun. I learned that the dragon brings good luck, protects and is a very important symbol in the Chinese culture." **Rafael, 5G**

"The ribbon dancing was fun because we got to dance to traditional Chinese music and the room was filled with colours." **Manikanta, 5B**

"I really enjoyed making the dragon with our hands. It included loads of team work and we did really well." **Aanya, 5R**

"I really enjoyed the ribbon dancing, it made me feel like I could do anything. It was a lot of fun." **Isra, 5S**

Science Awards

Well done to the children who have been nominated for a Science Award due to their exceptional work and efforts in Science.

Week Beginning 15 th September 2025		
Year	Name	
Year 2	Yahya Ghulam	Yahya has been presented with a Science Award for truly impressing everyone this week. He has shown remarkable skills in sorting out objects made from different materials. He demonstrated not only a strong understanding of the topic but also the ability to relate it to real-life examples, which is a key sign of a scientist in the making. Amazing Yahya!
Year 3	Anaya Rasheed	Anaya has been presented with a Science Award for her enthusiastic participation in the learning process. She confidently led discussions with her peers, using scientific vocabulary to clearly explain her ideas during investigations. Most impressively, Anaya showed a strong interest in nutrition and has even expressed a desire to pay closer attention to the ingredients in the foods she eats. Well done Anaya!

Year 4	Shafayat Hossain	Shafayat has been presented with a Science Award for his evident enthusiasm for the subject and his willingness to share his learning with the class. He particularly showed his enthusiasm during our lesson on identifying solids, liquids and gases where he was able to identify helium as the gas in balloons and was able to explain that it is lighter than air and that's why balloons float. He has been trying to make sure that he uses the correct scientific vocabulary and is involving himself in class discussions. Keep up the good work Shafayat!
Week Beginning 22 nd September 2025		
Year	Name	
Year 1	Eva Ostankovica	Eva has been presented with a Science Award for proving herself to be a very inquisitive scientist this week. She has asked questions and provided valuable insight into our new topic about <i>seasonal changes</i> . Eva was able to compare the spring and summer seasons thoughtfully and wrote clear, descriptive sentences to show how the two are alike and different. Her work shows a growing understanding of seasonal changes and she was able to assist other students with their learning. Well done Eva!
Year 5	Hashim Ali	Hashim has been presented with a Science Award for demonstrating his ability to design and conduct a fair test in last week's science lesson. Hashim went one step further and successfully used scientific vocabulary in his explanations which demonstrated his understanding for the topic we are studying: <i>Everyday Materials and their Properties</i> . Well done Hashim, I am so proud of you.
Year 6	Zayna Ali	Zayna has been presented with a Science Award for her excellent independent research into identifying how animals and plants are adapted to suit their environment in different ways. In completing this work, she has developed key scientific skills, including: finding out information from different sources, organising ideas in notes and tables and presenting her findings clearly and creatively. Well done Zayna!

Commendations: Commendations are awarded to pupils who demonstrate the 5Cs consistently.
